Please be advised of the following anticipated dates for receiving your payslip, which will confirm the work intervals prior to the corresponding direct deposit disbursement. The payslip will outline the details of your pay for the upcoming period, which will be deposited on either the 1st or 15th of each month.

These dates are provided as a guideline and may fluctuate slightly depending on various factors. However, we will ensure that the disbursement date remains close to the anticipated pay date, with any changes communicated promptly.
